TUM School of Engineering and Design (TUM ED)
Technical University of Munich

Erasmus+ Partner universities of the TUM School of Engineering and Design

Information for students of subject area Civil / Environmental / Geo Engineering

Effective from October 2026
Subject to changes

Table of contents

ERASMUS+ Study Stays	4
Partner universities at a glance	5
Partner universities of TUM School of Engineering and Design – CEGE	7
Contact persons	34
List of figures	34
Imprint	35

In this brochure, you find a presentation of all partner universities of the TUM School of Engineering and Design – subject areas Civil / Environmental / Geo Engineering (last update October 2026).

Due to possible changes which may occur in the course of the academic year, please check all current exchange opportunities in the data bank:
https://tum.adv-pub.moveon4.de/global-experiences/

The exchange opportunities in the data bank are arranged by the subject areas of the TUM Schools. As a principal, only the exchange opportunities of the subject area Civil / Environmental / Geo Engineering are available for you. In the data bank, you need to filter by „Program“ („Erasmus SMS“ or Swiss European Mobility Program“) and by Subject Areas: ED-Civil / Environmental / Geo Engineering.

You can find for each listed partner university the main area of study that is assigned to this exchange opportunity. Students of other areas of study of the subject area Civil / Environmental / Geo Engineering can also apply to these programs. Please check the course offer at the partner university and the academic information given in this brochure before making your selection.

The main areas of study are abbreviated as follows:

CE - Civil Engineering
EE - Environmental Engineering
GE - Geo Engineering

Technische Universität Wien

https://www.tuwien.at/en/studies/international/incoming-exchange-students

Area of study	CE, EE
Places	3 (max. 10 months)
Exchange level	Bachelor, Master
Semester dates	October – February March – July
Application deadline	end of May for 1st sem. mid-December for 2nd sem.
Language of instruction	German, English
Language skills	B1 German or B2 English

Academic Information:

- courses of different study programs and semesters can be chosen, if you fulfil the academic requirement of the relevant courses
- majority of courses should be selected from the academic programme you were nominated to
- required workload is 12-30 ECTS per semester
- study offer: https://tiss.tuwien.ac.at/curriculum/studyCodes.xhtml?dswid=3294&dsrid=201&windowId=cf2

Belgium
Leuven

[2]

Katholieke Universiteit Leuven

https://www.kuleuven.be/english/admissions/exchange

Area of study	CE
Places	1 (max. 10 months)
Exchange level	Bachelor, Master (at least 3 years of study completed)
Semester dates	September – February February – July
Application deadline	End of April for 1st sem. Early October for 2nd sem.
Language of instruction	English
Language skills	B2 English

Academic Information:

- course workload of maximum 30 ECTS per semester is recommended
- majority of selected courses must be from the “Faculty of Engineering Science”
- maximum 2 courses can be chosen from other faculties
- you can choose courses from different master’s program (all taught in English)
- course list: https://eng.kuleuven.be/en/study/prospective-students/non-degree-seeking-students

Czech Republic
Prague

[3]

Ceské Vysoké Uceni Technické v Praze

https://international.cvut.cz/students/incoming-students/erasmus-and-exchange/

Area of study	CE, EE
Places	4 (max. 10 months)
Exchange level	Bachelor, Master
Semester dates	September – February February – June
Application deadline	end of April for 1st sem. end of November for 2nd sem.
Language of instruction	English, Czech
Language skills	B2 English

Academic Information:

- at least 15 ECTS must be acquired per semester
- majority of courses must be from Faculty of Civil Enginnering
- course catalogue: https://international.cvut.cz/students/incoming-students/erasmus-and-exchange/courses-for-ee-students-prospectus/

Denmark
Aarhus

[4]

Aarhus Universitet

https://international.au.dk/education/admissions/exchange

Area of study	CE
Places	3 (max. 5 months)
Exchange level	Master
Semester dates	August - January January - June
Application deadline	early April for 1st sem. early October for 2nd sem.
Language of instruction	English
Language skills	C1 English

Academic Information:

- You must take minimum 20 ECTS of your courses from Department (subject area) Civil and Architectural Engineering
- you can also choose up to 10 ECTS courses from course offer of other departments at Faculty of Technical Sciences or Faculty of Natural Sciences if you meet the academic requirements
- course catalogue: kursuskatalog.au.dk
- Information on course selection

Denmark
Lyngby

[5]

Danmarks Tekniske Universitet

http://www.dtu.dk/english/education/incoming-students

Area of study	CE, EE
Places	12 (max. 10 months)
Exchange level	Bachelor, Master
Semester dates	September – January February – June
Application deadline	mid-April for 1st sem. early November for 2nd sem.
Language of instruction	English
Language skills	B2 English

Academic Information:

- exchange students can choose courses from the complete course offer in English language
- Bachelor students can choose master's courses if they fulfil the academic requirement of the relevant courses
- course workload of 20-30 ECTS per semester is recommended (maximum 35 ECTS, corresponds to 7 x 5 credits courses)
- course catalogue: http://kurser.dtu.dk/search

Estonia
Tallinn

[6]

Tallinna Tehnikaúlikool

https://taltech.ee/en/incoming-students

Area of study	EE
Places	4 (max. 5 months)
Exchange level	Master
Semester dates	August – January January - June
Application deadline	mid-May for 1st sem. mid-November for 2nd sem.
Language of instruction	English
Language skills	B2 English

Academic Information:

- at least 70% of the selected courses must correspond to the study level and course of study at the home university
- required workload is min. 15 ECTS per semester
- course overview: https://taltech.ee/en/courses-english

Finland
Espoo/Helsinki

[7]

Aalto-yliopisto

https://www.aalto.fi/en/international-students/exchange-students

Area of study	CE
Places	3 (max. 10 months)
Exchange level	Master (Bachelor students allowed if they have completed at least 2 years of study)
Semester dates	late August – December January – June
Application deadline	end of April for 1st sem. mid-October for 2nd sem.
Language of instruction	English
Language skills	B2 English

Academic Information:

- at least 2/3 of the courses in the Learning Agreement/ study plan must be from the same degree program in the School of Engineering, the remaining courses can be from other degree programs at the School of Engineering, the language center or from the intersdisciplinary course offer
- required workload is 25-30 ECTS per semester
- list of courses: https://sisu.aalto.fi/student/search/main

France
Bruz/Rennes

[8]

Uni LaSalle

https://www.unilasalle.fr/en/international-students-study-unilasalle

Area of study	EE, GE
Places	3 (max. 5 months)
Exchange level	Bachelor, Master
Semester dates	late August – late January late January – early June
Application deadline	early June for 1st sem. mid-October for 2nd sem.
Language of instruction	French, English
Language skillls	B1 English or B1 French (depending on course choice)

Academic Information:

- depending on the study level and existing language skills, courses can be selected from various study programmes.
- courses up to a maximum of 33 ECTS can be selected.
- list of courses: https://www.unilasalle.fr/en/international-students-study-unilasalle

France
Lyon

[9]

Institut National des Sciences Appliquées

https://www.insa-lyon.fr/en/node/6381

Area of study	CE, EE
Places	3 (max. 10 months)
Exchange level	Bachelor, Master
Semester dates	September – January February – June
Application deadline	end of April for 1st sem. end of October for 2nd sem.
Language of instruction	French, English
Language skills	B1 French/English (depending on course choice)

Academic Information:

- 60% of chosen courses must be from the same department, either „Department Génie Civil et Urbanisme“ or „Department Energy and Environmental Engineering“
- Bachelor students choose level 3 GCU/GEN and 4 GCU/GEN (ING3 and ING4)
- Master students choose level 5 GCU/GEN (ING5)
- course catalogue: https://exchange-student.insa-lyon.fr/
- English course offer: https://www.insa-lyon.fr/en/exchange-students

France
Marne-la Vallée/Paris

[10]

École des Ponts ParisTech

https://ecoledesponts.fr/en/international

Area of study	CE, EE
Places	5 (max. 10 months)
Exchange level	Master
Semester dates	September – February February – June
Application deadline	end of March for 1st sem. end of September for 2nd sem.
Language of instruction	French
Language skills	B1 / B2 French (only for Double Degree: additionally B1 English)

Academic Information:

- required workload: 20 to 30 ECTS per semester
- at least 50% of selected courses must be from host department Civil and Structural Engineering
- only the last two years oft he Engineering Programme are available (Formation d‘ingenieur 2A et 3A)
- You have to meet the scientific prerequisites for each course of the Master of Engineering Programmes: https://www.ecoledesponts.fr/en/academic-departments
- Course catalogue: course catalogue

France
Palaiseau/Paris

[11]

École Politechnique

https://programmes.polytechnique.edu/en/exchange-programs/about-the-exchange-programs/exchange-programs

Area of study	EE, CE
Places	1 (max. 10 months)
Exchange level	Bachelor, Master
Semester dates	August – January January – June
Application deadline	early-April for 1st and 2nd sem.
Language of instruction	French, English
Language skills	B2 French or English (depending on course choice)

Academic Information:
- required workload: 20 - 30 ECTS per semester
- you must choose one program according to your level of study, and select all your courses within this program
- you can only register for courses of the 2nd or 3rd study year of the Bachelor program and of the „Ingenieur Polytechnicien“ (graduate level)
- course information and course list

France
Cachan/Paris

[12]

École Spéciale des Travaux Publics (ESTP)

https://www.estp.fr/en/graduate-study-france

Area of study	CE
Places	3 (max. 5 months)
Exchamge level	Bachelor, Master
Semester dates	September – January January – May
Application deadline	mid-June for 1st sem. mid-November for 2nd sem.
Language of instruction	French, English
Language skills	B2 French or English (depending on course choice)

Academic Information:
- courses can be chosen from different specialisations, years of study and faculties (but only from a maximum of 3 different “classes”)
- recommendation: select the majority of courses from the same degree programme or “classe”
- English degree program „Master‘s Degree in Civil Engineering“ is open for exchange students
- only courses from the course list can be selected
- list of courses: https://www.estp.fr/en/graduate-study-france

Area of study	CE, EE
Places	0
Exchange level	Bachelor, Master
Semester dates	September – December January – May
Application deadline	mid-May for 1st sem. mid-October for 2nd sem.
Language of instruction	English
Language skills	B1 English

Academic Information:

- you can choose courses up to a maximum of 30 ECTS (1 course = 5 ECTS)
- priority must be given to courses from the College of Engineering and Architecture (but no courses from the field of architecture)
- course catalogue: http://www.ucd.ie/students/course_search.htm

Italy
Brescia

[18]

Università degli Studi di Brescia

https://www.unibs.it/en/international/incoming-exchange

Area of study	CE, EE
Places	2 (max. 10 months)
Exchange level	Bachelor, Master
Semester dates	September – February February – July
Application deadline	mid-July for 1st sem. mid-November for 2nd sem.
Language of instruction	Italian, English
Language skills	A2 Italian (Bachelor courses), B1 Italian (Master courses) or B2 English (depending on the course choice)

Academic Information:

- no information on course selection available
- Master's programm "Civil and Environmental Engineering – Ingegneria civile e ambientale" is in English
- overview of the study programs: https://corsi.unibs.it/it
- course catalogue: https://unibs.coursecatalogue.cineca.it/cerca-insegnamenti

* Exchange semester is not possible in AY 2027/28.

Italy
Catania

[19]

Università degli Studi di Catania

https://www.unict.it/it/internazionale/erasmus-study-students

Area of study	EE, CE
Places	2 (max. 5 months)
Exchange level	Master
Semester dates	September – February February – July
Application deadline	mid-June for 1st sem. mid-December for 2nd sem.
Language of instruction	Italian (some courses in English)
Language skills	A2 Italian (B1 English)

Academic Information:

- required workload is at least 9 ECTS and a maximum of 30 ECTS per semester
- at least 70% of the courses must be from the “Dep. Ingegneria civile e Architettura”, the remaining courses can be chosen from other departments
- course offerings: http://unict.it/en/educational-offer
- course catalogue: https://www.unict.it/it/internazionale/course-catalogue

Italy
Milan

[20]

Politecnico di Milano

https://www.polimi.it/en/exchange-students-incoming/

Area of study	CE, EE
Places	2 (max. 10 months)
Exchange level	Bachelor, Master
Semester dates	September – February February – July
Application deadline	end of April for 1st sem. end of October for 2nd sem.
Language of instruction	Italian, English
Language skills	B1 Italian or B2 English (depending on course choice)

Academic Information:

- courses from different study programs (Bachelor and Master) can be selected but the majority of credits must correspond to the student’s level of study and degree program
- majority of courses must be from “School of Civil, Environmental and LM Engineering”.
- Courses with a maximum of 12 ECTS can be chosen from other schools
- course offerings: https://www.polimi.it/en/education

Italy
Trento

[21]

Università degli Studi di Trento

http://international.unitn.it/incoming/erasmus-study-and-traineeship-for-students

Area of study	CE, EE
Places	2 (max. 10 months)
Exchange level	Bachelor, Master
Semester dates	September – February February – July
Application deadline	end of May for 1st sem. end of October for 2nd sem.
Language of instruction	Italian, English
Language skills	A2 Italian or B1 English (depending on course choice)

Academic Information:

- majority of courses must be taken at the Department of Civil, Environmental and mechanical engineering.
- courses from the Civil and Environmental Engineering and Energy Engineering and Environmental Meteorology programs can be selected
- course data base: https://unitn.coursecatalogue.cineca.it/cerca-offerta
- List of courses in English: https://www.unitn.it/en/international/coming-unitrento/exchange-student/selected-exchange-students

Italy
Turin

[22]

Politecnico di Torino

https://www.polito.it/en/education/international-students/exchange-students

Area of study	CE, EE
Places	2 (max. 6 months)
Exchange level	Master
Semester dates	September – February March – July
Application deadline	end of May for 1st sem. end of November for 2nd sem.
Language of instruction	Italian, English
Language skills	B2 Italian or B2 English (depending on course choice)

Academic Information:

- required workload is 20-30 ECTS per semester
- Master's program is partly in English (especially 1st year of study)
- courses from the Bachelor of Civil Engineering may also be chosen (except for the 1st year of study)
- at least 18 ECTS per semester must be selected either from the study program Bachelor/Master Civil Engineering or from the study program Bachelor/Master Environmental Engineering
- course catalogue: https://www.polito.it/en/education

Lithuania
Kaunas

[23]

Kauno Technologijos Universitetas

https://admissions.ktu.edu/exchange-students/

Area of study	CE, EE
Places	1 (max. 10 months)
Exchange level	Master
Semester dates	September – January February – June
Application deadline	end of June for 1st sem. end of November for 2nd sem.
Language of instruction	English
Language skills	B2 English

Academic Information:

- required workload is 18 to 33 ECTS per semester
- students can choose subjects from different faculites but need to choose the majority from the Faculty of Civil Engineering
- It is recommended to choose courses from the same semester
- course catalogue: https://admissions.ktu.edu/exchange-students/#courses

Lithuania
Vilnius

[24]

VILNIUS TECH

https://vilniustech.lt/en/international-students/exchange-students/semester-year-exchange-studies-at-vilnius-tech/#panelts1t3

Area of study	CE, EE
Places	2 (max. 10 months)
Exchange level	Bachelor, Master
Semester dates	September – January February – June
Application deadline	mid-May for 1st sem. mid-November for 2nd sem.
Language of instruction	English, Lithuanian
Language skills	B2 English

Academic Information:

- required workload is not less than 20 ECTS and not more than 35 ECTS per semester
- courses from different faculties can be combined
- Master cycle students are allowed to take Bachelor cycle courses. Bachelor cycle students can take Master courses only if they have basic knowledge of the topic
- courses in English: https://vilniustech.lt/en/international-students/exchange-students/semester-year-exchange-studies-at-vilnius-tech/#panelts1t2

Netherlands
Delft

[25]

Technische Universiteit Delft

https://www.tudelft.nl/en/education/programmes/exchange/

Area of study	CE, EE
Places	3 (max. 5 months)
Exchange level	Master
Semester dates	September – January February – June
Application deadline	early April for 1st sem. early October for 2nd sem.
Language of instruction	English, Dutch
Language skills	C1 English

Academic Information:

- required workload is 24-30 ECTS per semester (at least 20 ECTS must be achieved)
- majority of courses must be from Faculty of Civil Engineering and Geosciences (CEG)
- course list and further information: https://www.tudelft.nl/en/education/admission-and-application/exchange-students/courses
- course catalogue: https://studyguide.tudelft.nl/

Netherlands
Eindhoven

[26]

Technische Universiteit Eindhoven*

https://www.tue.nl/en/education/become-a-tue-student/exchange-students

Area of study	CE, EE
Places	2 (max. 5 months)
Exchange level	Master
Semester dates	September – February February – July
Application deadline	early May for 1st sem. early October for 2nd sem.
Language of instruction	English, Dutch
Language skills	C1 English

Academic Information:

- students mainly choose courses from the Architecture, Building and Planning (ABP) master's program.
- after consultation, individual courses from other departments can also be selected.
- course offer APB: https://studiegids.tue.nl/opleidingen/graduate-school/masters-programs/architecture-building-and-planning/curriculum/
- course catalogue: https://tue.osiris-student.nl/#/onderwijscatalogus/extern/start

* Select exchange option "Erasmus - Technische Universiteit Eindhoven - AR - Architektur / Out"

Netherlands
Enschede

[27]

Universiteit Twente

https://www.utwente.nl/en/education/exchange-students/

Area of study	CE
Places	2 (max. 5 months)
Exchange level	Bachelor, Master
Semester dates	September – February February– July
Application deadline	mid-May for 1st sem. mid-October for 2nd sem.
Language of instruction	English
Language skills	C1 English

Academic Information:

- Bachelor students need to choose 2 complete Bachelor modules (1 Module = 15 ECTS) per study block (at least one from the Faculty of Engineering Technology (ET)
- Master's students can choose courses individually of at least 15 ECTS per study block (60% of courses from ET-Faculty)
- Master's Program "Civil Engineering and Management"
- list of courses and further course information

Norway
Ås/Oslo

[28]

Universitetet for Miljø- og biovitenskap

https://www.nmbu.no/en/students/exchange/incoming-exchange-students

Area of study	EE (CE)
Places	4 (max. 10 months)
Exchange level	Bachelor, Master
Semester dates	August – December January – June
Application deadline	early June for 1st sem. early October for 2nd sem.
Language of instruction	English, Norwegian
Language skills	B2 English

Academic Information:

- workload is 30 ECTS per Semester
- you can combine courses from different faculties if prerequisites for course are met
- courses code 100 - 200: Bachelor level
- courses code 300: Master level
- courses of study: https://www.nmbu.no/en/studies
- course packages: https://www.nmbu.no/en/students/exchange/incoming-exchange-students
